

You want to discover new things in your career and develop yourself?

Then we are the perfect match! Neoception offers you freedom for new ideas, a creative environment, and the opportunity to actively shape the future of automation technology.

Our team creates software solutions for Pepperl+Fuchs sensors in the context of the Internet of Things (IoT). Neoception GmbH is an independent startup within the Pepperl+Fuchs Group. We offer web-based solutions that are tailor-made to the requirements of our customers. To help us do this ambitious work, we are looking for a:

Co-Op/Working Student, Marketing and Social Media

Your role:

- You will accompany the Neoception team during projects, conferences, and trade shows.
- You will document our successes and present them to targeted audiences on social media.
- You will provide support for press releases, social media, and events.
- You will help maintain our website.
- Your creative input will enhance and develop Neoception's image.

What you bring to the table:

- Writing compelling stories is in your blood.
- You have a feel for design and photography.
- You have some experience in web design, graphic design, or similar creative areas.
- You have excellent proficiency in German and English.

We are an energetic team with a passion for new technologies, motivated by constant curiosity and the desire to revolutionize the world of automation technology. For us, binary trees do not belong in the forest, and cookies are not just something served at meetings.

If $1+1=10$ makes sense to you and you want to be part of our team, we look forward to receiving your application. You can apply online with your résumé.
