

WE'RE HIRING

FIND YOUR PASSION, MAKE A DIFFERENCE, AND GROW YOUR CAREER
WITH US. BECOME A NEOCEPTIONIST!

Open Position:

Software Developer (M/F/D)

You want to constantly learn new things? Do you want to search for the state-of-the-art technologies and see how can they solve everyday problems? Do you want to be part of a great international and diversified team?

Then we are the perfect match! Neoception offers you freedom for new ideas, a creative environment, and the opportunity to actively shape the future of automation and digitalization. As an independent spin-off within the Pepperl+Fuchs Group we develop innovative products, sustainable business models and tailor-made customer solutions in the context of the Internet of Things (IoT) application.

We are looking for:

- ⊗ Good programming skills in at least one of: Java Spring, C#/.NET or Javascript/TypeScript;
- ⊗ Good general software engineering knowledge;
- ⊗ Nice-to-have: experience with machine learning;
- ⊗ Nice to have: experience with microservices and infrastructure as code;
- ⊗ Nice to have: experience with cloud platforms (eg Azure, AWS, ...);
- ⊗ Nice to have: experience with IoT / electronics;
- ⊗ Must live in Portugal;
- ⊗ Hybrid work;
- ⊗ Fluency in English.

We are an energetic team with a passion for new technologies, motivated by constant curiosity and the desire to revolutionize the world of automation technology. For us, binary trees do not belong in the forest, and cookies are not just something served at meetings.

If $1+1=10$ makes sense to you and you want to be part of our team, we look forward to receiving your application.
